

# SPONSORSHIP

Dear SAFA Supporter

The South African Flameproof Association will be holding its 2023 symposium at **Emperors Palace** in **Kempton Park** on **Thursday, 9 November 2023**, with an awards cocktail event a day before the symposium, **Wednesday, 8 November 2023**.

The aim of this year's symposium is to share information and knowledge regarding explosion prevention and the theme of this year's symposium is:

**In the interest of safety**

You will appreciate that arranging a symposium such as SAFA involves substantial costs and therefore the SAFA will once again be calling on its members and supporters to sponsor items at the symposium to assist SAFA in making the 2023 symposium an unforgettable experience.

There are a variety of opportunities that can be sponsored, or partially sponsored and effective coverage will be given to all sponsors at the symposium, as done in the past with some exciting branding ideas for organisations.

The below mentioned list are items of which SAFA requires financial assistance with:
